## PLAYER AND FAMILY CONTRACT

As a member of the CHELSEA SC Club Program, family members and players agree to abide by the following:

- **1.** Strive at all times to be the best, most successful participant that I/we can. No player **is guaranteed** playing **time in any game.** Furthermore, I understand that each player is not guaranteed to play any particular position, and that his/her contribution to the team will be to play their hardest and to the best of their ability.
- **2.** Ensure that all players attend every practice, clinic, scrimmage, and game. Arrive on time for the beginning and be picked up on time at the end of every activity.
- **3.** In the event of injury, illness or other events outside of one's control, notify the Administrator or Coach prior to the start of that activity.
- **4.** Only the Coach of the team shall address the referees. All players, coaches, administrators, parents, relatives, siblings, etc., are to treat the referee and the assistant referees, opposing players, other families, etc., with absolute respect. Yelling or showing any sign of disrespect to anyone will not be tolerated. This includes verbal, physical, or any other manner of communication.
- **5.** The Coach is responsible for all coaching decisions, directions, and instructions at every practice, scrimmage, clinic or game. No one other than the Coach (unless agreed upon by the Coach and Administrator) is to coach, direct or instruct any player at any time.
- **6.** Should any questions, problems, concerns, etc., arise, please address those with:
  - The Administrator if it is a non-playing issue
  - The Coach or Administrator if it is a playing issue
  - The Treasurer if it is a financial issue

In any case, do not approach the Administrator or Coach immediately following a game. Both are available after practice, by email and by telephone. You may also schedule a time to discuss issues in person away from the playing field.

- **7.** Because our players receive professional training, the CHELSEA SC Club Program is significantly more expensive than recreational soccer. All players/families are to keep their "accounts" current. Delinquent payments will not be tolerated. Should you have any financial issues, they are to be addressed with the Treasurer, the Administrator, and then if still an issue, with the Club Treasurer,
- **8.** The CHELSEA SC Club Program policy is that there are no refunds!
- **9.** All players are expected to keep themselves in good condition at all times. This includes but is not limited to; eating healthy, getting necessary sleep, avoiding hazardous sports/activities, and taking care of any/all injuries no matter how "minor" they may seem. CHELSEA SC has a zero tolerance policy regarding drugs and alcohol for all players. The use of all drugs (unless prescribed by a doctor) and alcohol are absolutely forbidden at any CHELSEA SC Club/Team sponsored activity.
- **10.** All players and parents will be kept informed as to their individual development and standing on the team by the Coach with at least one sit-down evaluation. This is the most appropriate time to ask questions regarding any/all playing issues.
