WHAT IS THE TRYOUT PROCESS?
Coaches want players to attend as many tryout sessions/practices to see the skills and team dynamics between players. Once coaches make the final selections, they will contact the players via phone to personally invite them join a team. Some teams will play Spring Soccer and may need players, but the majority of the teams will begin practicing in late June/early July for the next season.

ANNUAL COSTS FOR CHELSEA SC?
The cost of the program is approximately $1,200 per year*. The estimated costs cover the registration fees, insurance, tournaments, coaching fees, fields and equipment. Registration fees to Coast Soccer League and CalSouth are also included.

* These figures are approximate costs based on a 9-month season and 3 tournaments. There is a non-refundable $475 fee due at registration.

WHO DO I CONTACT IF I HAVE MORE QUESTIONS?
The Coach can address questions regarding player qualifications and if they made the team. The Team Administrator/Manager will address the cost/team budget, tournament schedule, payment schedule, practice days and times. Board members can address strategic plans and major events questions.

Please visit our website for email addresses and updates at www.chelseasc.org or leave a phone message on our main phone (714) 943-1064.

If invited to play for a Chelsea SC Team, I will be given the opportunity to accept or reject the invitation to play based upon the time and financial commitments I will be asked to make at that time.
